I. COMMUNITY BETTERMENT GRANT PROGRAM OVERVIEW AND APPLICATION DEADLINE

Through the Community Betterment Grant Program, Prairie Meadows seeks to benefit as many qualified organizations as possible with the funds available. Community Betterment Grant requests can be in the range of \$100 – \$99,999.

Because funds are limited, Prairie Meadows is unable to act favorably on all applications received. Each application is carefully evaluated on overall community impact, compliance with Prairie Meadows guidelines, and availability of funds.

Prairie Meadows does not always provide the entire amount requested by grant applicants. Prairie Meadows reserves the right to partially fund requests in order to provide funding to more organizations and projects.

The deadline to submit a Prairie Meadows Community Betterment Grant Application is Friday, May 28, 2021, at 5:00 p.m. All applications must be submitted via the Prairie Meadows Online Application and Reporting System. No exceptions will be made. Any application received after 5:00 p.m. on Friday, May 28, 2021 will not be accepted.

II. ELIGIBILITY REQUIREMENTS

Applicants must be non-profit, tax-exempt organizations located in the state of Iowa and meet one of the following:

- A. Have received a formal tax exempt status from the Internal Revenue Service (organizations awaiting IRS tax exempt status are not eligible to apply for funding from Prairie Meadows), or

- B. Are units of political subdivisions, are public school districts, or are church/religious organizations, or
- C. Are non-profit organizations organized exclusively for the promotion of social welfare as determined by Prairie Meadows at its sole discretion (must be predetermined by the Prairie Meadows Grants Manager).

Applicants requesting funding for more than one project must complete and submit a separate grant application for each project.

Applicants may not submit grant applications to all the Prairie Meadows grant programs for the same project.

Applications for funding must be for projects or programs located within the state of Iowa.

Funds requested must be for projects that will take place between October 1, 2021 and October 3, 2022, unless it is an ongoing project.

III. GRANT REVIEW TIMELINE

The Prairie Meadows Grant Advisory Committee will review all eligible Community Betterment Grant Applications. After thorough evaluation by the Grant Advisory Committee, the recommended applications are forwarded to the Prairie Meadows Board of Directors for approval.
