LOADING DOCK & EQUIPMENT USAGE [next page](#)

Our receiving & distribution (R&D) area is on the northeast side of the building (see map on page 54).

- Back up to Dock #4 (aka Sally Port), which is the garage door/dock closest to the entry door.
- Use the employee entrance, located by Dock #4, ring the bell at the far door to check in with security control.
 - Present your driver's license to security control to receive a temporary IRGC yellow badge* and proximity card.
The proximity card will give you access to employee areas of the facility.
 - Please be prepared to share the following information: name of the event, name of your Prairie Meadows' contact, and the areas of the facility you will be accessing.
- Once checked in, security or R&D staff will open the garage door for you.
- Back your vehicle inside the building. Security or R&D staff will shut the first garage door and open the interior door for unloading.
- If needed, obtain a cart from R&D staff. Carts are limited and may not be available at the time of your arrival. Be prepared to move your items without the use of a cart. Unload your vehicle and take your items to the room/area for your event.
Depending on Sally Port usage, our staff may ask you to move your vehicle immediately after unloading, before taking items to the room.
- All vehicles need to be parked in our main lot. You must enter through any of our guest entrances – The Meadows Events Center, main Casino entrance, or Hotel. If you do not need to access employee areas after unloading, return your badges* to security control to receive your driver's license.

**Badge must be worn and visible in secure areas. Guests are not allowed to gamble or drink alcohol while in possession of an IRGC temporary badge.*

If you will arrive during a specific timeframe, please let your contact know and our staff will check the dock schedule. Generally, there are no scheduling issues, but we do have to be aware of other scheduled deliveries. A similar schedule will be needed for load out time.
